

Effective: 1 August 2014

Keysight Technologies Quality Policy

Keysight Technologies, Inc. will earn customer loyalty by providing products, solutions, services, and interactions of the highest quality and greatest value. To achieve this result, we will:

1. Ensure that all of our products and solutions comply with applicable safety and regulatory requirements.
2. Ensure our products and solutions meet or exceed their published specifications.
3. Maintain and continually improve the effectiveness of our business management systems to conform at a minimum to ISO9001 Quality Management Standard or more stringent or legally required standards as dictated by specific markets.
4. Continually monitor and improve customers' total experience.
5. Establish quality requirements for suppliers, partners, and contractors and hold them accountable to comply.
6. Treat customers in accordance with Keysight's [Standards of Business Conduct](#) and [Privacy policies](#).
